### Pay Per Performance Search Engine Marketing services

#### How It Works:

**Phase 1:** INITIAL inexpensive FEE spent on optimizing your site. This includes keyword research, analytics, website optimization, seo submissions etc.

**Phase 2:** PAY-FOR-PERFORMANCE PLAN. Your monthly maintenance fee is based on your number of TOP-TEN organic placements on top search engines, such as Google, Yahoo!, AOL, MSN etc. This substantially lowers your financial risk as you pay monthly only for top-ten organic rankings. Pay-for- Performance Monthly Maintenance plans starts from \$349 / month.

**\$349/mo**

## Bring Traffic to your website...

**from all the world**

### Corporate Internet Branding and Brand protection

We combine internet branding and marketing strategy, creative design, and innovative technology to enhance your brand presence online and differentiate yourself from the market.

Brand Protection has also become an integral part of any Internet Branding campaigns. Companies need to constantly monitor online environment for any mentions about them, their products or services and activate effective brand protection measures to eliminate any denigrating activity against them.
